**Personal Background:**

I have been married to Harry for 47 years. We have four children and three grandchildren. We enjoy going on outings with the grandchildren as well as spending quality time with them.

I enjoy gardening and working outside. I especially enjoy working in the roses and inhaling the fresh fragrance from each beautiful bush. In my spare time I knit and crochet. I enjoy learning new crafts.

I do a lot of volunteer work. For over three years, I have been volunteering at The Salvation Army Food Bank three times a week. In addition, I volunteer with the Linn County Sheriff's office, where I assist in the Emergency Management Division. For approximately four years I have been involved with Senior and Law Enforcement Working Together program. I volunteer with several other small groups as well. Last but not least, I volunteer with the American Red Cross. I am currently the local Disaster Assessment Team Leader. I have volunteered at the National level serving as a Supervisor (in the field) processing paperwork for clients that have been victims of natural disasters.

Since retiring in 2003 from the Federal Government I have had a lot of training in Emergency Management with the Linn County Sheriff Dept and the Red Cross. With the Red Cross, we are required to do annual training in discrimination, working in a diversified community, etc.

### **Professional Background**

- College level Accounting and Business courses at Portland State and Weber State (Utah).
- Bank Teller for 10 years.
- Worked for the Federal Government for 30 years, performing accounting, purchasing, inventory management and personnel duties in addition to managing the government credit card program for 80 people.

### **Other Organizations**

2009:

- Treasurer, Mid Valley Events Club,
  - Two Day Celebration for Albany and surrounding towns to celebrate

### **FMCA Northwest Area Goals:**

If elected Treasurer, I will closely work with all area officers for the betterment of our Northwest Area. My goal would be to computerize the area's accounting books in order to maintain consistency in accounting best practices for the Northwest area. This would enable more accurate reporting than a manual system. I am familiar with Quicken, Quick Books and Excel. I would consider it a great honor to be named the next Northwest Area Treasurer.
