Personal Background:

**Took Accounting in Business College
Worked for Grant County Public Utility District for 25 years
As a Customer Service Rep-collecting money for electric bills
and customer work orders. Was only off by \$1 one time in all
those years.
Purchased hardware store and set up a One-Write Accounting
System for business in 1990. Later purchased computer
system and set up the General Ledger Accounts for that system
Have served as Treasurer of Royal Golf Club Association for
six years and just resigned summer of 2009. Duties included:
Balancing Daily receipts and posting to Quick Books in
computer, paying bills, making deposits, balancing the check
books, doing payroll, quarterly reports, and reports for
Monthly Board Meetings.
Maintain 5 other accounts for our personal business use.**

FMCA Northwest Area Goals, if elected:

**I would do the best of my ability to continue and possibly improve
on the methods of accounting for the Northwest Area. I am familiar
with both Quick Books and Microsoft Money and would like to set up
the bookkeeping system on the computer, if it is not already being done
in that type of system.**
